

Dear Sir/Madam,

We invite you to the public function at 4.30 PM on 18th of February 2020 as part of the 10th IAD colloquium, a national platform to discuss the treatment and social issues of Lymphatic Filariasis, Lymphoedemas and Integrative Medicine.

As part of the colloquium, we organise medical camps that give an excellent opportunity for Filariasis/Lymphoedema patients to consult world-renowned experts in the field. This year we are launching an endowment fund in the name of **S. Janardhan** using the generous donation of his wife who lives in Bangalore. This fund is for treating Filariasis and lymphoedema patients who require financial support.

On the same evening, there is a book release, "Medicine and Body Image, Resource Planning for the poor" A story of international dermatology associations and their partnerships written by Prof Terence Ryan. The book is for free distribution in SAARC countries made possible by the generous educational grant of Systopic Laboratories Pvt. Ltd., New Delhi.

We cordially invite you to all the events. The public function will start at 4.30 PM with Tea.

Yours sincerely,

Dr. S.R.Narahari & Dr. T.A. Bailur
on behalf of the Board of Directors

Dr. M.G. Aggithaya
Secretary, Organizing Committee

Dr. K.S. Prasanna, Dr. Roopa Kamath & Dr. Kairul Kurshida G
on behalf of Team IAD
